6 Transaction Services

Our services in detail

- Advice on founding, purchase and sale of companies
- Due-Diligence-Audits
- Corporate Reorganisation

We support you in founding, buying or selling companies and business combinations. We prepare financial and business plans and assist you with Due Diligence Audits.

We not only support you in individual steps, but always have your long-term goals in mind.

If you need to restructure your corporate organisation, we will help you to identify the simplest and safest way forward and provide you with experienced support in the implementation.

Our Transaction Services are provided by HCSM Wirtschaftsprüfung GmbH with an extended professional liability of 4 mio EUR.
